You are not alone.

Brain injury can be hard to see and understand, but at Brain Injury Alliance of Colorado, we get it. We provide the support, connections, and available resources that survivors and their networks need.

Our Services

Individual Support

Our individual support services can vary from answering quick questions or connecting with brain-injury related resources over the phone, to ongoing, in-person or virtual meetings.

Group Activities and Support

BIAC offers a wide range of classes, workshops, support groups, recreation programs, and social events.

Information Hub

BIAC provides beneficial information to survivors, family members, and professionals.
